1. Call to Order at 6:01 pm by Jason Artz
2. Approval of Minutes: March 18, 2024 CSRC: Motion to approve by Robin, second by Eileen. Motion passed unanimously.
3. Citizen Comments, Observations, & Petitions: Paul made a comment that on the walk/bike path on the east side of Water Street about 1.5 blocks north of the roundabout is a sinkhole in the middle of the path. Howard took the information and passed it to the Street Department for filling.

Paul made the request that we place on the May agenda the Top 8 priority items in the Bike-Ped Plan and review which of those should be requested in the 2025 budget.

- Create a safe trail crossing at Highway 80 just south of Business 151
- Complete the trail along Business 151
- Add a Rectangular Rapid-Flashing Beacon (RRFB) at Lancaster Street and Camp Street
- Add an ADA compliant mid-block crosswalk on Mineral Street between Water and Oak
- Add a crosswalk and RRFB at Water Street and Lewis Street
- Complete the sidewalk on Hickory Street from Cedar to Camp
- Extend the sidewalk along Southwest Road from UWP Lot 28 to Southwest Lane
- Expand the trail system to create both an internal and external loop

4. Old Business:

- a. Follow Up on Bike & Pedestrian Plan.

The plan will go before the Plan Commission on May 6. If passed, it will go to the Common Council on May 14 for discussion and May 28 for action.

5. New Business:

COMMUNITY SAFE ROUTES COMMITTEE
Monday April 15, 2024 6:00 PM
MEETING WAS HELD IN PERSON

a. North Court Street

Howard briefed the Committee that Sowden and Grace came in sufficiently under budget that the City could do another block of street construction. The decision was to reconstruct N. Court Street from Adams to Lewis on the east side of the new Fire Facility. There are sidewalks on both sides of the street and it will remain. Paul commented that we should allocate some of the budget to increase the budget for sidewalk repairs, since we were only able to fund the Base Bid and none of the alternate bids.

Howard briefed the Committee that the Base Bid was awarded. It will replace the sidewalk on the north side of W. Adams from Chestnut to Court. There will be no sidewalk on the south side.

6. Adjourn at 6:40 pm, motion by Eileen, second by Robin. Motion passed unanimously.
