~~C.23. Ensure that the length of walk signs is long enough for low mobility pedestrians. Done.~~

~~C.24. Develop a schedule for repainting crosswalks and seal-coating trails and sidepaths. The years of previous and future painting and sealcoating should be maintained. City staff should continue annual repainting of crosswalks. Epoxy should be reapplied to highway crosswalks every five years or as~~

~~funding allows.~~ **Done.**

C.34. Explore the addition of crossing guard(s) near the middle school. **Future.**

C.35. Consider strategies to improve visibility at intersections, such as: a. Evaluate ways to enforce the city ordinance on vision clearance at intersections (22.09.a).
