Common Council Members
Police & Fire Commissioners
City Manager Langreck

Residents, Council Members, Commissioners, and City Manager Langreck,

As we compile the annual report for the Police Department we tend to reflect on the accomplishments and challenges we encountered in the past year.

- A Sergeant promotion process was held and there are currently two Officers in the eligibility pool. This pool expires in April 2027.
- A Lieutenant promotion process was held and there are currently three Sergeants in the eligibility pool. This pool expires in June 2027.
- The PD hosted an open house event in May in conjunction with National Police Week. Approximately 70 people attended. Staff were on hand to answer questions and give demonstrations of police tactics and equipment.
- Staff from the PD participated in the following events: the Stuff the Cruiser food drive, the Special Olympics LE Torch Run, PHS FFA Donkey Basketball, and the Special Olympics/Dunkin' Cops on a Rooftop fundraiser.
- We worked with the City Facilities Manager to diagnose and arrange funding for the PD's generator.
- We addressed a long-term problem with the PD's HVAC system for the PD's computer equipment room.
- Progress has been made on our Capital Improvement Projects-city cameras, the radio system upgrade, and the PD radio repeater project.
- We addressed a long-term issue of wage compression between the Sergeants and the Officers they supervise.
- We investigated an incident involving unknown human remains found in the City. We were able to identify the person, communicate with his family and determine that foul play did not appear to be involved in the cause of death.
- We were able to resolve a shortage of squad cars due to a no-fault accident in which a squad was totaled. We located and purchased a used squad, and we were able to put this quickly into our rotation of vehicles.
- In addition to long-standing events like the UW-P Homecoming, Dairy Days, the Southwest Music Festival, the Car Show on Main Street, and Sweet Treats on Main, we assisted with new events including the Fire Department's 150th Anniversary celebration and parade and Holiday Magic on Main.
- We hosted a community picnic at Valley View Park. Officers were on hand to interact with attendees and play yard games. Hot dogs, chips, cookies and beverages were served.

- We assisted with security at the Broske Center for the 2024 Presidential election.
- We have adjusted the police officer schedule to minimize O.T. due to the resignation of a 9-year police officer. We will have another vacancy with a 2nd resignation in late January 2025. We hired one applicant in early January, and they are attending the Police Academy at Southwest Tech. We started advertising to fill the 2nd vacancy in mid-January.
- In October our Police Department successfully completed an on-site audit of our facility, policies and procedures, and the proofs we documented in support of the required 262 accreditation standards. As a result, we are now accredited through the Wisconsin Law Enforcement Accreditation Group for a 2nd three-year term.

We are making a concerted effort to work with several vendors to finally complete some longstanding projects along with several 2025 projects. We're excited to update some existing systems and adopt new technologies to improve other areas of the PD.

It appears 2025 will continue to present challenges in the areas of recruiting, hiring and retaining staff at the PD. We're not alone in facing these issues but these problems are heightened here since our staff levels have always been kept to a minimum.

We are very proud and pleased to have completed the accreditation process again. It has enhanced the professionalism of our staff and our procedures, both of which translate to improved service for our community.

Sincerely,

Doug McKinley
Chief of Police
Platteville Police Department

The Platteville Police Department revised and updated its Mission Statement and its Department Values in 2023. The Mission Statement and Values are used to guide the actions and priorities of the Police Department. The Goals as listed below will be reviewed mid-year and at the end of the year to gauge our progress and to determine if they are still viable priorities or if the community has other issues which require the focus of the Police Department.

Mission:

The members of the Platteville Police Department are committed to improving the quality of life and safety in our community by delivering caring, equitable and professional police services to everyone we serve.

Values:

Human Life: We believe nothing is more valuable than human life. We will defend it to the very end using the minimum amount of force necessary.

Integrity: We will hold ourselves to the highest moral principles to maintain the public's trust.

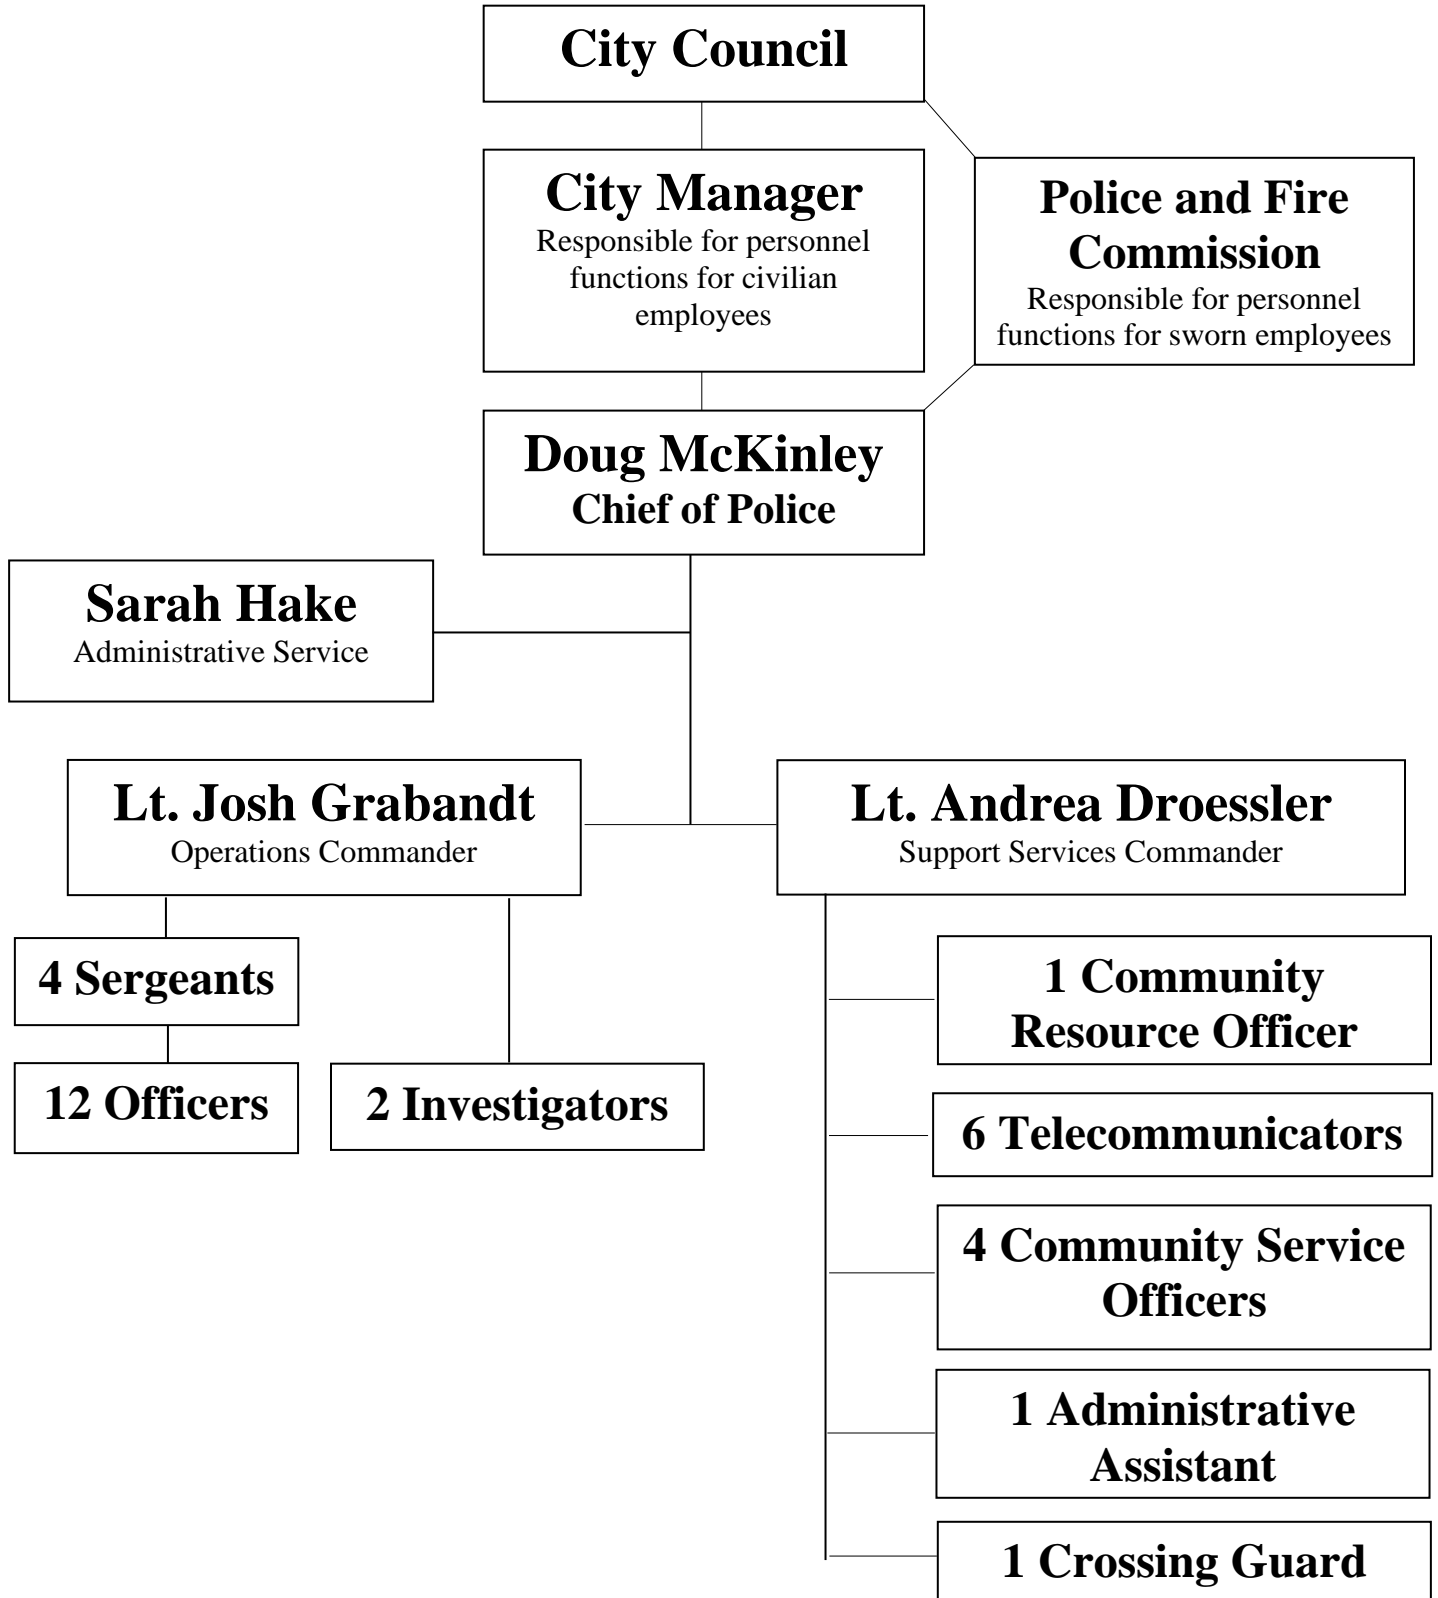

Professionalism: We shall serve the community with the utmost respect by demonstrating humility, competence, and compassion.

Continuous Improvement: Through training, education, and interaction with the community we will continuously improve the services we provide.

Goals:

1. Increase community engagement
 - a. Host a department Open House annually
 - b. Participate in at least five community events
 - c. Increase our overall community outreach using social media
2. Complete a department policy manual review and update
 - a. Ensure that all policies meet the WILEAG accreditation standards
 - b. Make sure our department policies are in line with the department mission and values
 - c. Seek input from department members who have expertise and training in policy areas
3. Improve recruitment and retention efforts
 - a. Enhance career development by providing relevant training
 - b. Engage on social media to increase exposure for department employment opportunities
 - c. Maintain full staffing

Police Organizational Chart

Command Staff

Under the general direction of the City Manager, the Chief of Police is responsible for planning, coordinating, supervising, and evaluating all police department operations. On a day-to-day basis, the two Lieutenants' responsibilities include supervising investigators, telecommunications, training, scheduling, purchasing, and communications. The Office Coordinator supervises the front office staff and assists the Management Team. The Management Team works together on budgeting, policy development, program development, and the general administration of the Police Department.

Telecommunicators

The Public Safety Telecommunicators answer telephones for the following city departments and other agencies: The Platteville Police Department, Southwest Health Ambulance Service, Platteville Fire Department, UW-Platteville Police, emergency elevator telephones throughout the city, and all City of Platteville Offices (when those offices are closed). The phones include the Enhanced 911 (E911) system that immediately displays the name, phone number, address and directions to the location of the phone making the call. The E-911 database allows the Telecommunicator to enter information that is pertinent to the location or customer. The Platteville Police Dispatch Center receives in excess of 1,500 incoming 911 calls (this is separate from the non-emergency business line they also answer 24/7).

The Telecommunicators communicate with all the previously listed agencies using the following radio systems: Platteville City Government, Platteville Fire, Southwest Health Center, UW-Platteville, Grant County Sheriff, County Simulcast Paging System and Point to Point (connecting all police agencies). The Telecommunicators can also monitor WISPERN.

The Telecommunicators dispatch in excess of 14,000 police, fire, and ambulance calls per year. Public Safety Telecommunicators also enter and retrieve information in and from the State and National Crime databases, vehicle registration files and driver's license files. This information includes criminal activity, missing persons and stolen property. This national computer system allows this department to share information with the nation's law enforcement and criminal justice agencies. The Support Services Commander supervises the Telecommunicators.

In addition to their dispatching duties, the Telecommunicators handle a variety of complex tasks. The tasks include entering on average 300 warrants per year to include monthly validations of all warrants, and completing over 300 background checks for other city departments. They also serve as a point of contact for the public when the business office is closed. Because the Platteville Police Department Dispatch Center is staffed 24/7, they also serve as a layer of security for the department by monitoring the internal security cameras for prisoner safety, officer safety, unauthorized persons on premises, proper conduct by persons on premises, and building security. All Telecommunicators are also notary publics, offering that service 24/7 as well.

Telecommunicator Amy Dillman

Education: B.S. Psychology/Criminal Justice, UW-Platteville

Hired: May 16, 2005

Amy began her career in emergency services as a Dispatcher/ EMT in 1988, with Paratech Ambulance Service in Milwaukee. Hired: May 22, 2024

Mika began working as a part-time Telecommunicator for the Platteville Police Department in May 2024. Mika graduated from UW-Platteville in 2024 with a B.S. in Criminal Justice and a minor in Forensic Investigation. This is her first job out of college and has found it to be a great fit for her skillset. When not working, she enjoys playing video games and longboarding around campus.

Administrative Assistant

The Administrative Assistant is the first person the public sees when coming into the police department. The Administrative Assistant processes all record requests, maintains the court calendar, processes payments for citations and licenses and handles a great variety of other clerical tasks for members of the Management Team.

Administrative Assistant Alex Watson

Education: Medical Lab Technician, SWTC

Hired: August 13, 2018 (as a Dispatcher)

Transferred to Administrative Assistant: December 2021

Alex began working as a part-time Telecommunicator for the Platteville Police Department in August 2018 and became full-time on July 21, 2019. She transferred to the Administrative Assistant Position in December of 2021. Alex comes to us with 8 years of experience in emergency services, having served 6 years with Mineral Point EMS and 2 years with Southwest Health EMS. She is currently serving on the Mineral Point Rescue Squad, Montfort EMS, Rewey First Responders' serving as an active member, service director and training officer, and the Grant County Southwest Wisconsin Emergency Response Team. She grew up in Lancaster and currently lives in Mineral Point. When not at work, Alex enjoys fishing and camping.

2024 Community Service Officers

The Police Department Community Service Officer Program (started in 2000) is in its 22nd year of delivering non-emergency services for our community. CSO responsibilities include parking enforcement, non-critical clerical tasks, home security checks, vehicle lockouts, traffic direction, school pedestrian safety, problem solving, etc., to name a few. You will see them assisting with a number of events such as parades, Sweet Treats on Main and Trick or Treating, Dairy Days, and others. The CSOs also supply support for the Animal Control Program. Officers are equipped with a 4-wheel drive truck used for delivery of essential, but non-critical police services.

The position of Community Service Officer is a non-sworn civilian position that assists police officers by responding to lower priority calls for service (mentioned above). This allows police officers to remain available to respond to high priority emergency calls and have more time for proactive enforcement.

- CSO Camrie-Alexis Jamerson Warne**
- CSO Ross Rudich**
- CSO Aidan Glasheen**
- CSO Raymond Austin**

Chaplain Program

The Police Department's Chaplain Program is a group of several participating denominations to serve in an on-call, as needed basis for assistance with death notifications, to help comfort people in need and if requested, to speak with employees after critical incidents. Currently 11 different denominations serve as voluntary Chaplains for the Police Department.

Honor Guard

Officer Paul Rehlinger and Officer Coree Lee of the Platteville Police Department are members of the local Law Enforcement Honor Guard. Officer Simeon Morell participates by providing his musical talent to play Taps. Members of The Honor Guard are officers from the Grant County Sheriff's Office, the Platteville Police Department, and UW-Platteville Police Department.

Public Relations and Outreach Events

↓ Stuff-The-Cruiser Event

Sergeant Rehlinger, Officer Bartelt, UWP Officer Tuescher, Lieutenant Droessler, and UWP Officer Bonilla stand outside the Platteville Piggly Wiggly during the Stuff-The-Cruiser Event in June. Items collected are provided to a local food pantry. It took two trips to get everything delivered to the food pantry! Thank you to Piggly Wiggly and the Platteville Community!

Special Olympics Torch Run ↓

In June, the law enforcement torch run in support of the Wisconsin Special Olympics kicked off in Platteville. Chief McKinley, Officer Auz, and CRO Stowe helped carry the torch through town on the opening leg of the journey through the state. Also assisting were members of the UW-Platteville Police, and the Grant County Sheriff's Office. Known as Guardians of the Flame, law enforcement members and Special Olympics athletes carry the "Flame of Hope" into Opening Ceremonies of local competitions.

Open House

The police department hosted an Open House in May. We estimate that around 100 people toured the PD and watched demonstrations about Tactical Equipment, Squad Cars, Fingerprinting, DAAT, and other general law enforcement functions.

Community Picnic ↓

The Police Department hosted a Community Picnic on September 27 at Valley View Park. Officers were available to discuss local ordinances, issues in the community, how to be a good neighbor, and what services are provided by law enforcement.

Platteville Sweet Treats on Main

Officers provided traffic direction every year during the Sweet Treats on Main in October to assist in keeping kids safe during this event. This event, provided by Main Street merchants, provides safe trick-or-treating for kids of all ages and includes activities at businesses on Main Street and in city park!

“Spruce-Up Day” ↓

Staff from several departments volunteer to participate in the annual Spruce-Up Day in May. Tasks include cleaning, painting, planting, and some maintenance activities around City Park, Police Department, City Hall and other downtown areas.

School Crossing Helpers!

Santa and the Grinch assisted with School Crossing duties once again! Santa was quite excited for this opportunity to check on the good girls and boys. Somehow the Grinch also found time in his busy schedule of self-loathing, staring into the abyss, and wallowing in self-pity to also visit Neal Wilkins Elementary School.

Grinch with many of his new friends at Neal Wilkins Elementary School. Some of the kids kept an eye on him just to be sure he didn't pull a fast one!

A crossing guard was Santa once before,
so this year he said, "let's do it once more!"

The Grinch in his grinchness all green and so mean,
Showed up to meddle and make a big scene!

Santa waved and greeted with, "Ho Ho Ho,"
The Grinch scowled and teased, but we all know,

That the Grinch deep down was not so bad,
Being a crossing guard, in fact, made him less mad!

He still goofed and taunted the man in red,
"But helping the kids is best," is what he said.

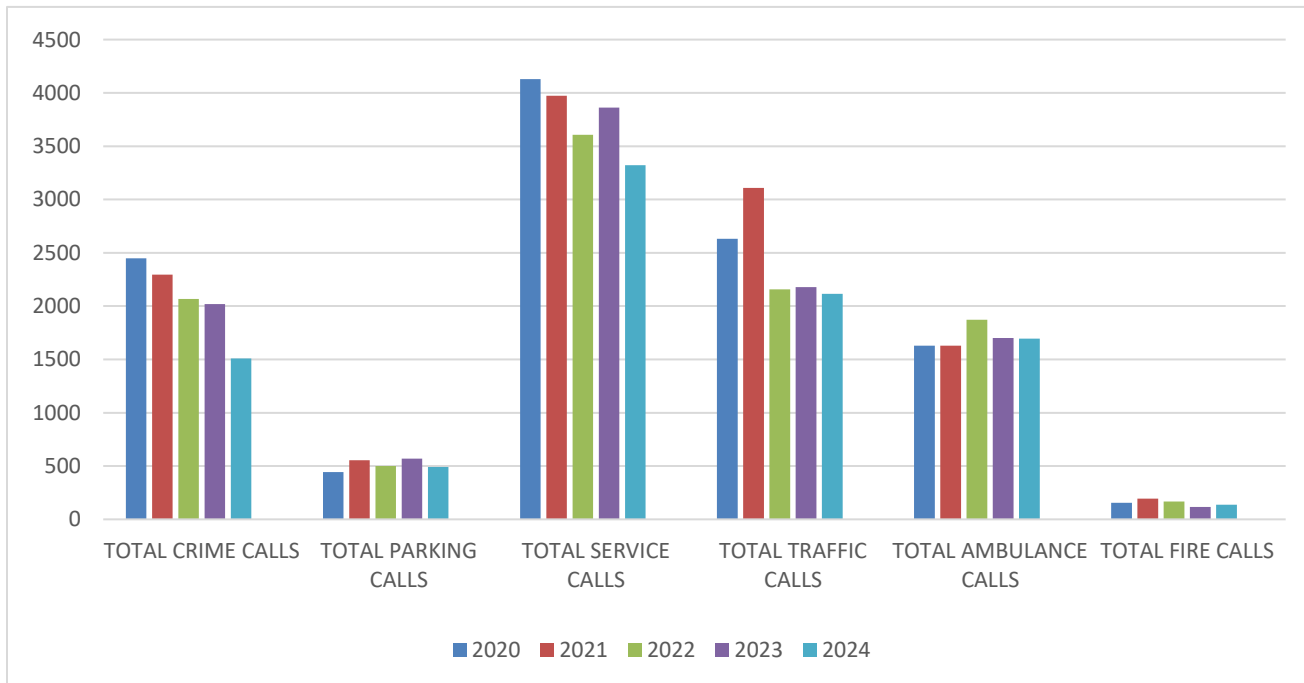

Principal Functions/Major Programs (What does this unit do?)

The City is served by 20 full-time sworn Officers (this number includes 12 Patrol Officers, 2 Detectives, 4 Sergeants, 2 Lieutenants, and a Chief), 1 full-time Office Coordinator, 3 full-time and 3 part-time Dispatchers, 1 full-time Administrative Assistant, and 4 Limited Term Community Service Officers. Together these employees provide the following:

- Emergency Dispatch Services: 24-hours a day for Platteville Police Department Officers, the Platteville Emergency Medical Service, the Platteville Fire Dept., and the University of Wisconsin-Platteville Campus Police Dept.
- Contingency Dispatch Center for the Grant Co. Sheriff's Dept. and back-up 911 Emergency Call Center for Grant County.
- Enforcement of state statutes, local ordinances, and traffic laws.
- Specialized Investigations: 2 detectives pursue matters requiring time-intensive investigation or incidents requiring expertise not typically possessed by line officers.
- Patrol of the City to detect criminal activity and to provide a police presence.
- Community Policing: Engaging members of the community to resolve issues of mutual concern.
- School Officer (CRO): Works extensively in the schools and coordinates community events and outreach for the PD.
- Community Service Officers: UW-Platteville students employed as non-sworn members of the PD handle non-emergency calls for service, direct traffic, animal complaints, home security checks, and enforce parking ordinances.
- In-house training of officers: To enhance professionalism, engage in career development, reduce overtime, and provide officers with the skills needed to respond to calls for service in a rapidly changing environment.
- Member of the Richland-Iowa-Grant Drug Task Force: A unit specializing in the investigation of drug related incidents.
- Crisis Resolution Team: The PD participates in the county-wide tactical team which responds to calls of an elevated risk such as barricaded suspects, high risk warrant service, etc.
- Crossing guard duties at Camp/Lancaster Intersection.

Platteville Police Department Re-Accreditation

The Platteville PD was notified in January 2025 that we have again successfully met all the required standards of the Wisconsin Law Enforcement Accreditation Group (WILEAG) and as a result we have been accredited for a second 3-year term. We are very pleased to have achieved this status again and we consider it to be a validation of the efforts of all the staff at the PD. To achieve full accreditation, agencies must comply with 262 standards and provide ongoing documentation of this compliance. The standards detail the best professional practices in the field of law enforcement, and they are deemed to be essential to the protection of life, safety, and the rights of citizens. Everything about how we do business internally was scrutinized by the WILEAG assessors during our 3-day audit in October 2024. The finding of compliance with the accreditation standards means our policies, practices and procedures are in line with Federal and State law, current case law, and the best practices in the field of law enforcement. Overall, we believe accreditation will help us continue to deliver quality, professional service to our community.

- Doug McKinley, Chief of Police

WILEAG's primary mission is to offer a voluntary and affordable method of achieving professionalism through the accreditation of law enforcement agencies and to assist those agencies to better serve their communities.

Accreditation is a progressive and time-proven way of helping institutions evaluate and improve their overall performance. The key to any successful accreditation system lies in the consensus of published standards obtaining a clear statement of professional objectives.

WILEAG promotes excellence in law enforcement through participation in a voluntary law enforcement agency accreditation program. Accredited agencies demonstrate compliance with applicable standards covering all aspects of law enforcement administration and operations.

2024 Lifesaving Awards

The Platteville Police Department holds an annual department meeting which includes the recognition of officers and employees for their actions and outstanding efforts in their service to the community. These officers were quick to respond, assess the situation, and provided immediate life saving measures that resulted directly in saving a number of lives. At the February 2025 Department Meeting, we recognized the following employees for their critical roles in lifesaving incidents.

Officer Jake Brown

Telecommunicator Amy Dillman, Officer Kevin Murphy, Sergeant Kris Purkapile, and Officer Ethan Glendenning

Officer Simeon Morell and Larissa Klemm

Officer Kevin Murphy and Officer Josh Stowe

Officer Brenden Overbey and Officer Ethan Glendenning

2024 Commendations

Commendations are awarded to employees for exceptional performance, successful completion of a project, or going above and beyond typical duties. At the February 2025 Department Meeting, we recognized the following employees who were nominated for an Award of Commendation.

Officer Josh Stowe

Officer Josh Stowe recently completed a new drone program for our department. Officer Stowe extensively researched the program, tirelessly obtained funds outside of the department's budget, and developed policy to implement this program. This was a long-term project, which Officer Stowe worked on from conception to completion with limited assistance. Officer Stowe recognized a need within the community, created a solution, and his efforts will have a direct and lasting impact on the safety of the community.

Sergeant Kris Purkapile

In 2024, the department was facing a shortage of squad cars with no new vehicles being produced for several months. Compounding the situation was the department's limited budget situation. Sergeant Kris Purkapile quickly researched the issue, identified a unique solution, and implemented a well thought out plan to remedy the problem. Sergeant Purkapile was able to utilize quick decision making and strong leadership to solve a difficult problem.

2024 Officer of the Year!

An Employee of the Year Award was established in 2017. Recipients are nominated by fellow employees anonymously. These employees are recognized at the annual department meeting the following year. The 2024 Recipient is Sergeant Matthew Froiseth.
